This budget looks for fine for discussion purposes. I don't know if this amount is too much for Roger.
Pete has the best since of his appetite.

Heather,

Have the numbers in this proposal been updated?

If so, please send those to me and then I'd like you, Mims, Ray, and I to meet to talk about this proposal and your budget request. Lillian will reach out once we have all the numbers.

Best,

Marcilynn

Subject: Draft Funding Proposal for ENR Center

Dear Marcilynn,

Attached is a first draft of a possible proposal for Roger Worthington/Worthy Garden Club. This is essentially a concept to support the next iteration of Mary's research agenda that Roger has previously supported. His current commitment is ending this fiscal year. Based on ongoing conversations with Pete Korstad and Mary, he does seem open to supporting the next phase of Mary's work.

In addition to comments on the concept and draft, it would also be good to hear from Pete as to whether this is a good target amount of support. Alisha, I would be happy to provide any background that might be helpful to you.

Please let us know what you think and if you would like to set up a time to meet.

Thanks,

Heather Brinton
