That sounds good, Judge Round, thanks. We'll be here on standby whenever you need us, and we look forward to connecting at some point in 2025!

CAUTION: This email originated from outside of the organization.

If and when something starts moving, rest assured that I will lean on you guys heavily! Unfortunately, my sense of the landscape here is antipathy at best so nothing is looming on the horizon. Happy holidays, Go Jayhawks!

Hi Judge Round,

I hope all is well. It is hard to believe that it has already been three months since we were together in Woods Hole. I trust that you have been following the Jayhawks' early ups and downs this season—I see a lot of promise there, they just need to figure out how to peak at the right time!

We wanted to reach out to see if you had given more thought to an educational event for Missouri judges. You had suggested in September that you would be speaking with the Chief Justice about this. If you would like to move forward with an event, please let us know if we can be of any help with that planning, including helping to identify local experts. We are always happy to connect at your convenience.

Until then, I hope you have a great holiday season and a happy new year.

Best,

Jarryd
