Travel information for Woods Hole, MA. Note, we missed the connect in Chicago due to O'Hare changing our gate. Our plane for MA had departed by the time we got to the new gate. I ended up having to wait several hours to fly to Newark and then to Boston. My travel on 9/15/24 started 6 am pst getting to the airport in Sacramento from a hotel I paid for the night before. I arrived at Logan airport and was driven by Alf Brandt with other judicial officers to Woods Hole where we arrived at Midnight, est. There was no breakfast, lunch or dinner provided that day.
