Hello Justice Duncan and Jay,

Wishing you the best with your program today! We are excited to hear all about it. As a part of that debrief, we track the judges we interact with and especially gather any feedback from the programs we're involved in.

Specifically, we look for a headcount, an attendance list, and any evaluations (which I am sure you'll be eager for, as well). Once you have these, please pass over as much information as you are comfortable sharing.

Thank you in advance!
