Hi Becky and all,

Congrats again to everyone — I also thought the presentations went very well. Really appreciate your foresight in putting this together, and ELI may follow up on the contacts I made with Judge Tookey on the Court of Appeals and Judge Manicke on the Tax Court. If we can provide anything to help any of you with your ongoing work, just let me know.

Best,

— Jay

Erica, Jay, and Sarah,

Thank you so much for your presentation on Wednesday! I greatly appreciate all the time and effort you put into it. As I just wrote in my email to Jared, I think it was a success. You did an excellent job providing on-point information to our judges. As a presentation about legal issues that are in the headlines and in some of our state courts already, I know the subject was of interest to many of our judges. Thank you for providing the information and resources that will help them understand and prepare for the cases that may be coming to their courtrooms.

At the end of the presentation, it sounded like some of the attendees were letting you know about other conferences or opportunities. I'm sure that CJP would love to know about those for purposes of tracking their outreach, so please keep CJP posted about any opportunities that grow out of the presentation.

On a personal note, it was a pleasure to work with all of you. If there happen to be future opportunities for us to collaborate, please don't hesitate to reach out.

With many thanks,
