Thank you, Stacy! Yes, I was so glad to do the training with you too! And I'm glad you like the videos. After a full day of watching football yesterday, I feel pretty rested up!
Take care, hope you are well too!
Clare

You are great on the videos, Clare!
I hope that your weekend was restful. I really thought last week was great and I loved being able to experience the training with you.

Be well,

Thank you, Alf!
I appreciate the chance to participate, and you sharing the videos with me.
Yes, please keep me updated, if you think it is warranted, on the international planning.

Judge Keithley,
Thank you for doing the short videos explaining the value of JLCS. The videos are just what I needed. They are big files, so I posted them to

this NJC repository:

I'll be pulling together my presentation in the next two weeks, and I'll share material for the presentation with you when I send it to the International Organization for Judicial Training (managed by the National Center for State Courts). If you are interested, I would be happy to talk to you about the program.

Again, thanks.

Alf

P.S. I have copied Justice Boulware Eurie, given her leadership in JLCS.
