Assunto: Next SG call Monday Update - next call This Monday or Tuesday??uSpecialist Group Chairs
re: Rio and Marseilles

Dear SC and SG Chairs,

We had a very good call today with some of the SG chairs about both Rio and Marseilles.

Instead of waiting until June 14, we would like to move up the next call to either Monday or Tuesday - in a few days.

Can you please reply now with your availability (time zone would be 9-5 BRA time on both days).

Thanks!!

Denise

Dear Steering Committee Members & Specialist Group Chairs,

Thank you for responding to the Doodle Poll. Based on the availability of a majority of participants, WCEL would like to schedule the following **two** meetings:

You can find a list with times in your location at the end of this e-mail. I apologize for omitting some key cities in the previous correspondence. If I am still missing your location, please do let me know!

We will be using the VideoConference service Zoom. You can join by clicking on this [REDACTED]

Dear Steering Committee Members & Specialist Group Chairs,

Following up on the e-mail sent by Denise Antolini on Saturday, April 27, WCEL would like to schedule a videoconference call to discuss: (1) Forum event proposals for the IUCN World Conservation Congress in Marseilles in June 2020; and (2) the Draft Program for the 2nd World Environmental Law Congress in Rio in March 2020 (see attached).

We have set up a **Doodle Poll** with some possible times. Please note the times are set for two hour intervals on the following dates:

- Friday, May 24, 2019

The Doodle Poll should show the times in your location (please see table at the end of this e-mail with a full list of times - I apologize in advance if I may have accidentally omitted your current location).

Please indicate your availability in the Doodle Poll here: [REDACTED]
