Subject: Judge Ford-Greenlee County

Good morning,

My name is Samantha Romo and I am the Court Administrator for Greenlee County. Judge Jeremy Ford attended a training that you and Mr. Alf put together. I am hoping I am not the first person to mention this, but we received a public records request from this training. In preparing this documentation, a question arose as to the materials of this course. Judge Ford mentioned that they were password protected and he never downloaded such materials. Since we are not the custody of record for these, I spoke to our AG's office and she indicated asking you about these materials. The AG's office is asking if they are proprietary or copyrighted and if they are and you want them protected, what steps would you like us to take in doing so (redaction of the URL and password, etc.). Please let me know if you have any questions and I will be happy to assist. Thank you.
