Pat, thanks for the plug. In addition to your ESA episode, ELI has been compiling several “explainers” on core U.S. environmental laws, including the [CAA](#), [SDWA](#), [CERCLA](#), and [NEMA](#).

We’ll be producing more in the coming year. If anyone is interested in joining an episode in your area of expertise, let me know and I can connect you with the host, Sebastian Duque Rios. You’re also welcome to contact him directly at [REDACTED]

Happy holidays, all....
