Subject: Question about the September 7th In Person Climate Change Program
Date: Wednesday, June 28, 2023 3:01:00 PM

Good afternoon Judge Knight,

I hope you're well! I'm reaching out to get your opinion on the email below. ELI wants to have a representative with Mathematica to attend the September 7th Climate Change in person program to collect some evaluation data from the judges/magistrates in attendance. I checked in with Peter Saquella, and we're all fine with Mathematica attending, but we wanted to get your official approval before confirming. The only concern I have is that the presence of the Mathematica rep may cause attendees to be a bit more cautious in their participation on the day of the program. I'm not even sure this is a valid concern. Let me know what you think. Thank you, Judge Knight!

Hi Zipporah,

I hope this finds you well!

As we look forward to the full-day program in September, I wanted to touch base with a question. We would like to invite one someone from Mathematica, a firm that we are working
